4-H TROPHY FUNDRAISING

Dear Prospective 4H Youth Supporter,

If you have been searching for a method to reach new customers and/or a way to demonstrate support for the youth of our community, we have a great opportunity for you!

The Kent County 4H Dog Developmental Committee is once again in the process of raising money to provide trophies for the various events that involve dogs at the Kent County Youth Fair (Held at Lowell Fairgrounds from August 2-9th, 2008). These are established events running two different days including Showmanship, Obedience and Agility with many of our local youth achieving top honors with their dogs. This fundraising effort was a huge success last year and was well received by all. We are hoping that your company/organization will consider donating to help further motivate and reward the growing number of youth involved for all of their hard work throughout the year.

To assist in meeting the cost of this year's trophies, we are offering several different options to promote your services, goods or Kent County Youth.

ADVERTISING SPACE
Dog Events Fair Programs will outline the various competitions and list the participants. Over one hundred programs will be printed and eagerly read by our Area Youth and their families during the two day events. What a way to offer constant visual reminders of your services and support!
